

Our friendly team will help you find the most suitable solutions for you. Please call us today on 01205 318 588 or 03455 564 144 to find out how we can help.

Lincolnshire Telecare Service enables you to call for assistance when you want and need it. The operator receiving the call will offer reassurance and contact either the GP, emergency services; Response Service or a personal contact provided by you.

Developing Services

Lincolnshire Telecare Services are working alongside hospitals, technology providers and our customers to ensure that we continually develop and introduce new and emerging products to meet the changing demands of our clientele.

We pride ourselves on giving all of our products a robust test period, so that we are satisfied they operate satisfactorily and will meet the needs of our customers.

This means that there are products which we are introducing or that are changing, so please call us and we can discuss how we can help you.
